Download the file “genesis.txt” from piazza (from the Holy Bible corpus).
Use the commands you learned today to perform the following operations:

- * Output a list of words in the file with freq counts
- * Find the 50 most common words in the corpus
- * Merge upper and lower case by downcasing everything
- * How common are different sequences of vowels (aeiou)?

1 Change directory

Use command for change directory (cd) **cd**

in the beginning god created the heaven and the earth.
and the earth was without form, and void; and darkness was
upon the face of the deep. and the spirit of god moved upon
the face of the waters.
and god said, let there be light: and there was light.
and god saw the light, that it was good: and god divided the
light from the darkness.
and god called the light day, and the darkness he called
night. and the evening and the morning were the first day.
and god said, let there be a firmament in the midst of the
waters, and let it divide the waters from the waters.
and god made the firmament, and divided the waters which were
under the firmament from the waters which were above the
firmame and it was so.
and god called the firmament heaven. and the evening and the
morning were the second day.
and god said, let the waters under the heaven be gathered
together unto one place, and let the dry land appe and it
was so.
and god called the dry land earth; and the gathering together
of the waters called he se and god saw that it was good.
and god said, let the earth bring forth grass, the herb
yielding seed, and the fruit tree yielding fruit after his
kind, whose seed is in itself, upon the ear and it was so.
and the earth brought forth grass, and herb yielding seed
after his kind, and the tree yielding fruit, whose seed was in
itself, after his ki and god saw that it was good.
and the evening and the morning were the third day.
and god said, let there be lights in the firmament of the
heaven to divide the day from the night; and let them be for
signs, and for seasons, and for days, and yea
and let them be for lights in the firmament of the heaven to
give light upon the ear and it was so.
and god made two great lights; the greater light to rule the
day, and the lesser light to rule the nig he made the stars
also.
and god set them in the firmament of the heaven to give light
upon the earth,
and to rule over the day and over the night, and to divide the
light from the darkne and god saw that it was good.
and the evening and the morning were the fourth day.
and god said, let the waters bring forth abundantly the moving
creature that hath life, and fowl that may fly above the earth
in the open firmament of heaven.
and god created great whales, and every living creature that
moveth, which the waters brought forth abundantly, after their
